Legend:

Road Closure. Road will be closed to thru traffic. Traffic will be detoured around this area. Expect 10-20 min delays in the immediate area. Take an alternate route if possible.

One Way Traffic Only. Road will be open to one-way traffic only (in the direction shown). Traffic in the other direction will be detoured around this area. Expect 10-20 min delays in the immediate area. Take an alternate route if possible.

Lane Restrictions. Road will be open to traffic, the number of lanes open may be reduced and/or traffic flow may be shifted to accommodate construction. Expect 10-20 min delays in the immediate area. Consider taking an alternate route if possible.

Construction Activities in the Area. Road will be open to traffic, with construction in the neutral ground (median) and/or on the sidewalks. Closures of cross-overs and temporary lane closures to support construction work safety may be possible. Expect 5-10 min delays on the route itself.

Refer to back of sheet for more information on ongoing construction projects.

Construction Programs - Uptown

CONTACTS

SELA. The Southeastern Louisiana (SELA) Urban Flood Control Program is a multi-year \$1 billion construction program administered by the US Army Corps of Engineers and the Sewerage and Water Board of New Orleans. It is intended to improve drainage and reduce the risk of flooding. The scope of work for these projects includes the replacement of underground drainage canals and large drainage lines. For more information, call 504-862-2201 (Corps of Engineers) or 504-585-2450 or go to <http://www.mvn.usace.army.mil/> or <http://www.swbno.org/>.

Streetcar Line Improvements. The Streetcar Line Capital Improvement Program is a multi-year \$80 million construction program administered by the New Orleans Regional Transportation Authority (RTA). It is intended to improve the City's public transportation system and promote economic development. The scope of work for these projects may include the installation of a new streetcar line and shelters or new streetcar tracks and/or shelters on an existing streetcar line. For more information, go to <http://www.norta.com/> or call 504-248-3900.
